

Robert Pattison
Infrastructure Ontario
Senior Vice President, Light Rail Transit

Biography:

Mr. Pattison leads a team of project management, legal, finance, communications and strategic sourcing professionals who procure and support the delivery of Infrastructure Ontario's portfolio of light rail transit projects through public private partnerships. He provides strategic direction, leadership and support to Project Directors and their teams.

Projects in procurement include Finch West LRT (DBFM), Hurontario LRT (DBFOM), and Hamilton LRT (DBFOM). Projects under construction include the Eglinton Crosstown LRT and the Ottawa Confederation Line LRT.

Mr. Pattison holds a Bachelor of Arts degree from The University of Western Ontario and a Doctor of Law (J.D.) from the York University Osgoode Hall Law School.

Topic: Mr. Pattison will discuss Infrastructure Ontario's Alternative Financing and Procurement and Output Specification practices
